PRODUCTION CAPACITY FOR AGENCIES AND BRANDS.

Round Table Media is a Brampton-based production company. We film, edit and deliver commercial video, and we support agency-led projects with one role or a full production.

WHAT WE CAN CONTRIBUTE

Filming & Cinematography

Directing and camera on location or in studio, with 4K camera packages, cine movement and lighting.

Editing & Post-Production

Editing, colour grading, motion design, captioning and vertical cutdowns, in Premiere Pro and DaVinci Resolve.

Studio Access

A CYC infinity wall in Etobicoke pre-lit with three to four Kino Flo 4-bank lights, available by the hour.

Production Support

Concept development, scheduling, shoot logistics, and talent and vendor coordination.

Additional Capacity

Support on a project when your team is at capacity. Availability is confirmed per project before we commit.

On-Camera Direction

Directing founders, staff and customers with no camera experience, as well as recording artists.
